Hear The "PHONOGRAPH WITH A SOUL" at The EDISON SHOP 122 North Pennsylvania St.

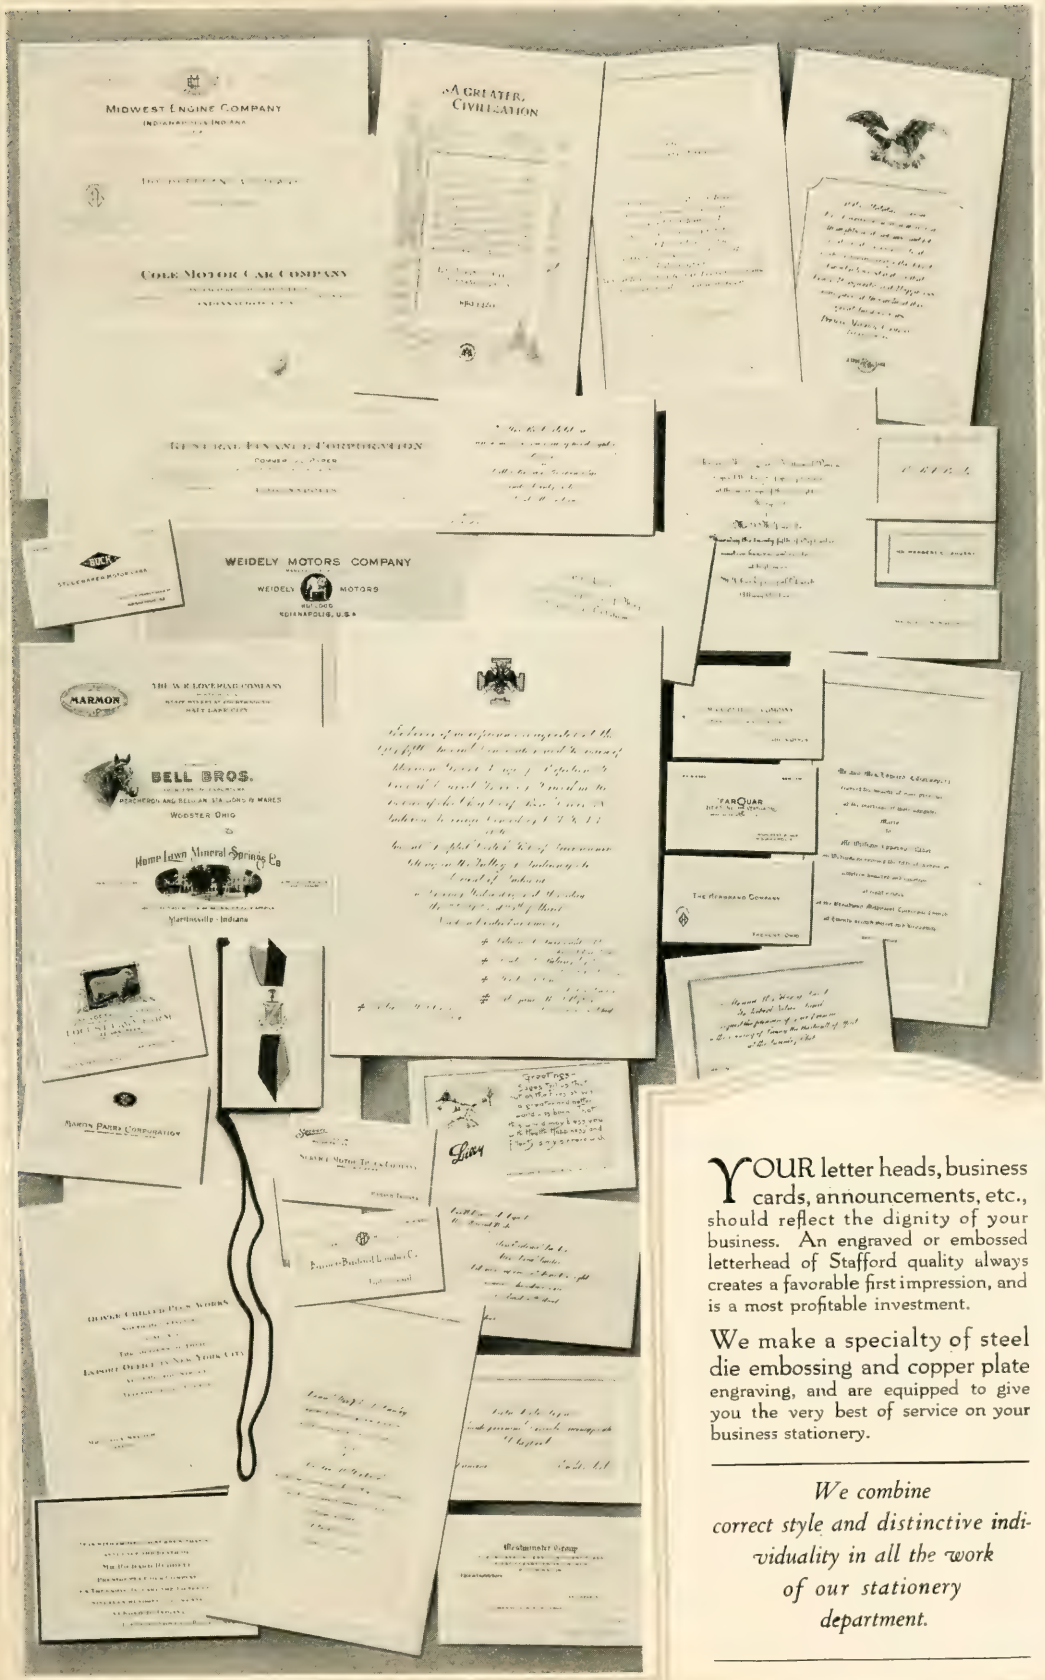
STAFFORD engravings have won a reputation for quality and excellence that is second to none. An engraving experience of nearly thirty years, an organization of the most expert workmen in every line, a complete and thoroughly modern equipment, and close co-operation with our customers, have been the chief factors in the building of this reputation.



Every engraving that leaves our plant must measure up, in all respects, to the high standard that has made the name of Stafford a synonym for quality.

THE great volume of advertising now appearing makes it more necessary than ever before that you employ layouts and illustrations that will stand out from the rest.

Stafford advertising designs and illustrations are distinctive. They attract the eye and "put your message across" in the most effective manner. Our artists take equal pride in originating illustration ideas for you, or in visualizing your own ideas.

We make
all kinds of plates for printing
in one or more colors
for use in national magazines,
trade papers, farm journals,
newspapers, etc.

YOUR letter heads, business cards, announcements, etc., should reflect the dignity of your business. An engraved or embossed letterhead of Stafford quality always creates a favorable first impression, and is a most profitable investment.

We make a specialty of steel die embossing and copper plate engraving, and are equipped to give you the very best of service on your business stationery.

We combine correct style and distinctive individuality in all the work of our stationery department.

"The Plates were made by Stafford"

You be the judge—
It takes the worry out of
Furniture buying

EXECUTIVE COMMITTEE

William G. Torchiana, Philadelphia
W. H. Lee, New Haven
R. H. Donnelley, Chicago

The objects of the Association are as follows:

First: To improve the directory business by the interchange of ideas, and by the exchange of competent employees.

Second: To protect the public against fraudulent advertising schemes operated under the name of directories and to drive the promoters of such out of business.

Third: To provide permanent and continuous employment for honest and faithful directory canvassers.

Fourth: For the mutual advancement of the established and prospective interests of all who may become members of the Association.

EXECUTIVE COMMITTEE

William G. Torchiana, Philadelphia
W. H. Lee, New Haven
R. H. Donnelley, Chicago

The objects of the Association are as follows:

First: To improve the directory business by the interchange of ideas, and by the exchange of competent employees.

Second: ***To protect the public against fraudulent advertising schemes operated under the name of directories and to drive the promoters of such out of business.***

Third: To provide permanent and continuous employment for honest and faithful directory canvassers.

Fourth: For the mutual advancement of the established and prospective interests of all who may become members of the Association.

Do you realize that a City Directory advertisement is a testimonial to the permanency, the stability, of the advertiser?

That's the sort of concern all of us want to patronize, because we know when they sell us merchandise they are behind it in every way, today, tomorrow, and for the years to come.

"Fly-by-night," "fire-sale" and other temporary or *"get-rich-quick"* concerns rarely appear in the City Directory.

And it is a noteworthy fact that the concerns which advertise one year in the city directory are there again next year. 90% of directory advertising is renewed.

Directory advertising, is profitable. In connection with the classified business headings it is doubly effective.

May we explain how and why it will pay you?

LAKE D & C LINES

For Business and Pleasure Trips Use D & C Line Steamers

The Delights of a Lake Trip

REST after work is necessary to human endurance, and holidays are a wise economy. The Great Lakes of America offer more vacation opportunities than any other source in the country. The steamers of the Detroit and Cleveland Navigation Company operating to all important ports are unrivalled in point of elegance, comfort and quality of service—the perfect freedom offered by the saloon and promenade decks, the commodious state rooms, luxurious furnishings and excellence of cuisine make life aboard these floating palaces, a solace to the weary mind and body.

WHERE YOU CAN GO

Daily service is operated between Buffalo and Detroit, Detroit and Cleveland, four trips weekly between Toledo, Detroit and Mackinac Island, the historic summer resort of the North Country, and from June 25 to Sept. 10 a special steamer will be in commission between Cleveland and Mackinac Island, stopping at Detroit enroute every trip. During July and August special daylight trips between Detroit and Cleveland.

RAILROAD TICKETS AVAILABLE

Tickets reading via any rail line between Buffalo and Detroit, Detroit and Cleveland will be honored for transportation on D. & C. Line Steamers in either direction. Send 2 cent stamp for illustrated pamphlet and Great Lakes Map. Address L. G. LEWIS, G. P. A. Detroit, Mich.
